QUALITY POLICY

"Engineering Quality. Delivering Trust."

At **B G Buildtech Pvt. Ltd.**, we are committed to delivering safe, durable, and high-quality construction projects by complying with client requirements, applicable standards, and our Quality Management System.

OUR COMMITMENTS

- Deliver **Right First-Time** quality.
- Follow approved drawings, specifications, SOPs, and IS Codes.
- Use approved materials, qualified manpower, and calibrated equipment.
- Conduct inspections and testing at every stage.
- Maintain complete quality records and documentation.
- Prevent defects through effective planning and supervision.
- Continually improve our processes and employee competence.
- Achieve complete customer satisfaction through quality workmanship.

QUALITY OBJECTIVES

- ✓ 100% Compliance with approved drawings and specifications.
- ✓ 100% Inspection, testing, and quality documentation.
- ✓ Zero Major Non-Conformities (NCRs).
- ✓ Minimize rework and defects.
- ✓ Continual improvement and customer satisfaction.

QUALITY IS EVERYONE'S RESPONSIBILITY

- **Do It Right the First Time • Follow SOPs • Report Defects**
- **Maintain Records • Deliver Quality**
